

We are currently looking for a

Accounts Receivable Accountant (m/f/d)

Munich • Germany | Full time | Permanent

The Role:

Due to continued company growth, we're seeking an experienced, dynamic yet methodical Accountant to take ownership of our Accounts Receivable operations, liaising with and building trusted working relationships with our logistic and commercial partners (Wholesalers and Pharmacies).

You'll be solely responsible for the cash collection management process; from contacting the customers on a regular basis to obtain a payment date or rectifying any issues with invoices on hold, to the entering of payments into SAP, the allocation of incoming payments against customer accounts and the reconciliation of the sales ledger, as well as monitoring due dates to forecast regular and reliable cashflow reports. You will be the main contact for customer/debtors in order to keep continuity for the customer and to improve the whole collection process and efficiency.

You'll act on behalf of Accord with diplomacy, keeping a firm customer focus while helping and avoid late payments and monitoring the calculation and application of early payment discounts. You will, in addition, also support on internal and external auditing activities as required.

The Person:

- Experience in a similar Accounts Receivable role, ideally within a small to medium sized company
- Excellent communication and negotiation skills, ability to build good working relationships
- Language, fluent in German with business English (both written and speaking)
- Strong IT skills, confident across the Microsoft Office suite including advanced Excel skills
- Well organised with a meticulous eye for detail, ability to react with speed and precision to changing business priorities

- A professional accounting qualification with membership would be advantageous
- Working knowledge of SAP F1 would also be an advantage

The Rewards:

In return, we offer a competitive salary package and the opportunity to work in a great team and make a genuine difference in a progressive and expanding business, at an exciting time of growing international reach.

How to Apply:

If you possess the experience, passion and ability to make this role a success, we would love to hear from you. Please send your CV, in English, by 21st March to
